III - ACTIVITIES

11. During this 6 month reporting period, have you engaged in any activities for or rendered any services to any foreign principal named in Items 8, 9, and 10 of this statement? Yes ☒ No ☐

If yes, identify each such foreign principal and describe in full detail your activities and services:

For activities and services rendered to Japanese Government, see attached addendum.

¹ The term "foreign principal" includes, in addition to those defined in section 1(b) of the Act, an individual or organization any of whose activities are directly or indirectly supervised, directed, controlled, financed, or subsidized in whole or in major part by a foreign government, foreign political party, foreign organization or foreign individual. (See Rule 100(a)(9)).

A registrant who represents more than one foreign principal is required to list in the statements he files under the Act only those foreign principals for whom he is not entitled to claim exemption under Section 3 of the Act. (See Rule 208.)

12. During this 6 month reporting period, have you on behalf of any foreign principal engaged in political activity² as defined below?

Yes ☒ No ☐

If yes, identify each such foreign principal and describe in full detail all such political activity, indicating, among other things, the relations, interests and policies sought to be influenced and the means employed to achieve this purpose. If the registrant arranged, sponsored or delivered speeches, lectures or radio and TV broadcasts, give details as to dates, places of delivery, names of speakers and subject matter.

Japanese Government

The answer to Item 11 has listed all of the activities of the registrant during the period in question. Some, but not all, of these activities constitute "political propaganda" within the meaning of the Act.

-
13. In addition to the above described activities, if any, have you engaged in activity on your own behalf which benefits any or all of your foreign principals?

Yes ☒ No ☐

If yes, describe fully.

During the period in question, Charles von Loewenfeldt personally served as a director of the California Council for International Trade. The purpose of the CCIT is "to promote the growth of world trade by gathering and disseminating pertinent information; bringing together business leaders of foreign nations with those of California; encouraging firms not yet engaged in foreign trade to enter it; creating a favorable trade climate that will foster development of more industry and new business in California; and working towards elimination of trade barriers." Also, the secretariat for the CCIT was located within the office premises of Charles von Loewenfeldt, Inc. CCIT was, in other words, a separate client of Charles von Loewenfeldt, Inc. distinct and apart from all other CvL, Inc. clients.

In the sense that CCIT espouses and works to encourage "free trade" for the benefit of Californians, its interests parallel, in some instances, those of Japan and of other major nations that trade with the U.S.

² The term "political activities" means the dissemination of political propaganda and any other activity which the person engaging therein believes will, or which he intends to, prevail upon, indoctrinate, convert, induce, persuade, or in any other way influence any agency or official of the Government of the United States or any section of the public within the United States with reference to formulating, adopting, or changing the domestic or foreign policies of the United States or with reference to the political or public interests, policies, or relations of a government of a foreign country or a foreign political party.
